

M-6 Pavement Reconstruction

Ottawa and Kent Counties
July - November 2017

What Is Being Done?

The Michigan Department of Transportation will replace about 4 miles of pavement on M-6 from I-196 to just east of Wilson Avenue.

When Will This Be Done?

Work is expected to begin after the Fourth of July and continue through November.

How Will Traffic Be Affected?

During construction, M-6 will be closed between I-196 and Byron Center Avenue. Traffic will be detoured via I-196 and US-131. M-6 will remain open to local traffic only between Byron Center and US-131.

Access to the M-6 interchanges at 8th Avenue and Wilson Avenue will be maintained via detour routes on county and city streets.
